Dear BOGCHS Family:

I hope this letter finds you in good health and in great spirits. After working closely with the Union County Department of Health, myself as well as the Board of Trustees have decided that the safest way to open school this fall is to delay in person instruction and to open utilizing Model B, our remote instruction model. Although we are shifting to Model B, this shift is temporary and as a result, we will still follow the Model A bell schedule. All students will work remotely from September 9, 2020- November 6, 2020. All staff will follow the remote schedule presented earlier this summer. Model A, our in person hybrid model, is planned to begin on November 9, 2020.
