

THE BARACK OBAMA GREEN CHARTER HIGH SCHOOL

"We plant the seeds"

☐ Chief School Administrator: Mrs. Erin Murphy-Richardson ☐

March 6, 2018

Dear Parent or Guardian,

As you know Barack Obama Green Charter High School has been selected to participate in this years National Assessment of Educational Progress (NAEP). This two-hour assessment will take place this Thursday March 8, 2018.

Your student has received an appointment card identifying their assignment to either the morning or afternoon testing session. If your students' appointment card indicates an 8:45 a.m. test then they should arrive at school at the regularly scheduled arrival time of 7:45 a.m. If your students' appointment time indicates a 12:30 testing time then they should arrive to school by 12:00 and report to the cafeteria.

The morning test session will end at approximately 10:45 a.m. and students will be released from school at 11:40. The afternoon session will be released at 2:45 p.m.

Your child does not have to study to get ready to take NAEP. We do ask, however, that you encourage your child to do their best and get plenty of rest the night before the assessment. To learn more about the NAEP assessment please visit nces.ed.gov. We are excited that our school will be participating in NAEP and that your child has been selected.

Sincerely

Mrs. Erin Richardson
