This software will help create customized worksheets and supporting documents. KUTA Math software helps **Individualize, Differentiate, and Customize** every document created! Included are more than just buzzwords, adapting to students' skills and learning styles provides a powerful sense of ownership of the learning process that can have lasting effects. This program enables you to do the previously impossible: customizable homework, quizzes, and tests in a fraction of the time! Students and curriculum can change drastically from year to year, and this allows our assessments to be as adaptable as we need them to be. We do not have textbooks to take home and this replaces having the added expense of purchasing textbooks to have students take them home. This also reduces the cost for technology to support E-books and finally, this extends learning.

- Resolution 2016-09-14 Be It Resolved**, that the Board of Trustees of the Barack Obama Green Charter High School hereby approves the Hip Hop Dance Workshop (1 week program) for the Arts Program. Services are provided by Young Audiences will cost \$1,250. With the intent of creating a healthy lifestyle and physical, mental and emotional fitness, break dancing provides a fun and unique way to exercise and express oneself. This program combines performance and participation. There are a total of 85 students involved in the workshop. This is a class that contributes to our arts program and is not part of our physical education program. We are diversifying our Arts program to offer other Arts without the added expense of a Dance Teacher. They will provide a history of breakdancing; why and how both the art form and the hip hop culture developed. They will engage students in discussing the elements of hip hop; identifying the difference between expressing oneself through dance, music and art for the purpose of personal growth and community awareness, versus for commercialism. Students participate in dynamic, foundational moves and concepts. They may create their own versions of these moves for future development and expression. This is a one week program where the instructors will come and teach the students techniques, which Ms. Filomeno will reinforce thereafter.
